March 27, 2017

Dear Chess Friends,

Our Annual Fund Drive is now underway as WSCF enters its 14<sup>th</sup> year! Like all 501c3 non-profits we rely on generous supporters to complete our mission.

In the last year, over 2,000 students ages 4 to 18 have participated in WSCF events.

Attached are testimonials from parents, participants and coaches of our programs. We make a profound improvement in the lives of many of our participants and we know that you agree. Our classes, camps, clubs and tournament all offer a rich environment for students to learn and to grow. Your help will enable us to offer our programs to more students and provide more support throughout Wisconsin.

The Board of Directors have set an ambitious goal fundraising goal of \$10,000 to meet the growing demand for chess education.

You can contribute in one of two ways: First you can give on line via our website [www.wisconsinscholasticchess.org](http://www.wisconsinscholasticchess.org) , second you can print the donation form and mail to our address. This year we are offering complimentary gifts to you or your designated recipient of your choice. If you are the recipient your contribution is tax deductible minus the value of the gift.

Whatever level of support you choose it is most appreciated by everyone involved with WSCF; especially the players and families that we serve.

Thank you in advance for your generosity.
